We do not guarantee that each provider is still accepting new members. To get the most up-to-date information about AlohaCare Advantage and AlohaCare Advantage Plus' network providers in your area, you can visit www.AlohaCare.org or call our Customer Service Department at 973-6395 or toll-free at 1-866-973-6395, 8 a.m. to 8 p.m., 7 days a week. AlohaCare Advantage is a health plan with a Medicare contract. AlohaCare Advantage Plus is a Coordinated Care plan with a Medicare Advantage contract but **without** a contract with the Hawaii Medicaid program.

This document may be available in an alternate format such as Braille, large print or audio. Call Customer Service at 1-866-973-6395 to receive material in an alternate format or language.

Section 1 – Introduction

This directory provides a list of AlohaCare Advantage and AlohaCare Advantage Plus' network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage.

You will have to choose one of our network providers who are listed in this directory to be your Primary Care {Physician/Provider} (PCP). The term "PCP" will be used throughout this directory. Generally, you must get your health care coverage from your PCP.

Your PCP is a physician, physician assistant or nurse practitioner who meets state requirements and is trained to give you basic medical care. You must receive your basic or routine care from your PCP. Your PCP will coordinate the rest of the covered services you need. In most cases, you must see your PCP to get a referral to see another health care provider.

How do you choose a PCP?

You must choose your PCP from one of the following sections in this directory:

- Primary Care – Health Centers & Clinics; or
- Primary Care Providers

To make it easier for you, the PCPs are listed by island and specialty.

You must either write your choice of PCP on your enrollment form or call Customer Service with your selection. If you have questions about choosing your PCP, changing your PCP or other questions about your PCP, call Customer Service at 973-6395 or toll-free at 1-866-973-6395, 8 a.m. to 8 p.m., 7 days a week. TTY users should call 1-877-477-5990.

The "network providers" listed in this directory have agreed to provide you with your health care and vision coverage. You may go to any of our network providers listed in this directory; however, some services may require a referral. If you have been going to one network provider, you are not required to continue going to that same provider. In some cases, you may get covered services from non-network providers.

Providers who require a referral from your PCP

When your PCP determines that you need specialized treatment or services, your PCP will give you a "referral" to see a plan specialist or to access other types of services. A **specialist** is a doctor who provides health care services for a specific disease or part of the body. Some examples of specialists are: oncologists, who treat cancer; cardiologists, who treat heart conditions; and orthopedists, who treat certain bone, joint or muscle conditions.

It is very important to get a referral from your PCP before you see a plan specialist. **If you don't have a referral prior to receiving services from a specialist, you may have to pay for the services yourself.** If the specialist wants you to come back for follow-up visits, check with your PCP to see if follow-up visits are included in the original referral.

Providers who do not require a referral from your PCP

Most specialty care services require a PCP referral. However, a PCP referral is NOT required for the following services provided by a network provider:

- Behavioral health visits, such as seeing a psychiatrist or a psychologist;
- Woman's health visit, such as seeing an OB-GYN or receiving routine preventive care services including a pap smear or a mammogram; or
- Flu shots or pneumonia vaccination.

Non-Contracted Provider Billing

If you need to see a non-contracted provider and are billed for services or care, you should not pay the bill. If the non-contracted provider sends the bill directly to you, you should submit the bill directly to AlohaCare for processing. We will make the determination of your liability, if any. Submit to:

Emergency and Out-of-Area Coverage

If you have a medical emergency you should get medical help as quickly as possible. A medical emergency is injury or illness that is life-threatening. Call 911 or go to the nearest emergency room, hospital or urgent care center; these services do not require a referral or prior authorization. If your emergency care is provided by non-network providers, we will try to arrange for plan providers to take over your care as your medical condition and the circumstances allow.

You may receive coverage for urgently needed care (injury or illness that needs immediate care, but not life-threatening) from out-of-network providers when you are temporarily outside of the plan service area. You may also receive coverage for urgently needed care from non-network providers when you are in the plan service area and there are unusual or extraordinary circumstances, such as when plan providers are temporarily unavailable or inaccessible.

Emergency care can always be obtained in or out of the service area from the nearest available provider. When in the service area you must use network providers for urgent care. When out of the service area, urgent care may be obtained from the first available provider. In addition, when out of the service area you can obtain dialysis treatment from any qualified dialysis provider.

You must use plan providers except in emergency or urgent care situations. If you obtain routine care from out-of-network providers neither Medicare nor AlohaCare Advantage or AlohaCare Advantage Plus will be responsible for the costs.

Introduction

This booklet provides a list of AlohaCare Advantage and AlohaCare Advantage Plus' network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and AlohaCare Advantage or AlohaCare Advantage Plus' formulary. If you have additional questions, please call our Customer Service 973-6395 or toll-free at 1-866-973-6395, 8 a.m. to 8 p.m., 7 days a week. TTY/TDD Users should call 1-877-447-5990. Or, visit www.AlohaCare.org. We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. A network pharmacy is a pharmacy where beneficiaries obtain prescription drug benefits provided by AlohaCare Advantage or AlohaCare Advantage Plus. In most cases, your prescriptions are covered under AlohaCare Advantage or AlohaCare Advantage Plus only if

they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one, you are not required to continue going to the same pharmacy to fill your prescription. You can go to any of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

How to find pharmacies in this directory?

The pharmacies are listed by pharmacy type and island. You can also find a pharmacy by business name in alphabetical listing in the back of this directory.
