

# Formulary Updates

Effective March 1, 2011

In an effort to cover the most needed, cost-effective prescriptions, AlohaCare updates its AlohaCare Advantage formulary monthly. The following are drugs that have been added, removed or placed on a different tier since the last time the formulary was printed.

You'll find the most up-to-date comprehensive version on our website, [www.AlohaCareHawaii.org](http://www.AlohaCareHawaii.org).

These changes apply to AlohaCare Advantage 2011 formulary.
