How To Use Your AlohaCare Provider Directory

Welcome to AlohaCare!

We want to make sure you get the health care you need, when you need it! This Provider Directory will help you find an AlohaCare doctor on your island.

When you first become a member of AlohaCare, you must pick a Primary Care Provider (PCP). Your PCP will be your personal doctor. He or she is the doctor you will see every time you need one. To choose a PCP:

Look at the lists in your directory called "Primary Care - Health Centers & Clinics" or "Primary Care Providers".

Choose a doctor or clinic from one of the lists.

Call us at the number below or write us to tell us the name of the doctor or clinic you picked. Call within 10 days of getting this packet.

After 10 days we will choose a PCP for you, if you do not call. We will choose someone close to where you live.

The AlohaCare Provider Directory changes from time to time. Call Customer Service at the telephone numbers listed below to get the latest information when you need help finding a doctor or if you have special health care needs. You can also find a provider on our website below.

If you need this booklet in large print, please call or write to AlohaCare Customer Service or contact us through our website.
